Surviving & Thriving Finance Issues in the Current Climate

The current economic environment has proved to be the most difficult and challenging in recent memory, and many high street banks are reluctant to lend funds to enable businesses to survive and expand.

Come along to our free seminar where we will discuss several alternative avenues available to raise finance, along with good cash flow management techniques that could provide funds to invest in the future of your business.

Date: Thursday 7 March 2013

Time: 4pm - 6pm

Venue: The Duncan Rooms, Easterbrook Hall, Dumfries DG1 4TA

Topics to be Covered:

- Raising non-bank finance
 - Cash flow management
 - Debt recovery
 - Credit checks
 - Business angels
